What an action-packed week it's been! No wonder we're all ready for a cosy pyjama day today! We've enjoyed so many exciting activities, including first aid training, drum workshops, and of course, a huge thank you to everyone who joined us for the Challenge Afternoons. The feedback from children, parents, and teachers has been absolutely wonderful.

We also want to say a big thank you for all your support for Children in Need—your generosity makes such a difference.

Next week, we're looking forward to our Come and Explore Days, and we can't wait to welcome you. Until then, have a fantastic weekend!

Father Jeremy Collective Worship

Father Jeremy led our collective worship, guiding us in a thoughtful reflection on Remembrance. He invited us to consider the meaning behind the word '*member*'—reminding us that we are all part of something greater, connected through shared memories, gratitude, and a sense of community.

11th November Remembrance Day

Remembrance Service. Today, we came together as a school community to honour those who have served and sacrificed. Our service was beautifully led by our Head Boy, Head Girl, and their Deputies, including a moving reading of the poem *Lest We Forget*. A poppy wreath was laid at the war memorial in a moment of reflection and respect. We were also honoured to welcome Squadron Leader Knapp, who joined us in laying a wreath and observing the minute's silence. Later, he visited our school to share insights about his role, his experiences on tour, and even brought in parts of his uniform to show the children.

Remembrance Sunday Service- St Chad's Church

D-"It was a well-attended service to help people remember."

E-"It was good for my confidence to read in front of so many people."

W-"I was honoured to reflect on the sacrifices of those who was effected by the war."

I- "It was a privilege to read in Church amongst Veterans"

Challenge afternoon

We've had the absolute pleasure of welcoming parents and carers into our classrooms for our Challenge Afternoons — and what a fantastic experience it's been!

These sessions have given families a chance to step into their children's learning environment, roll up their sleeves, and dive into a variety of creative and problem-solving activities. From painting vegetables to making critters, to writing Victorian schools diaries to drawing Victorian silhouettes.

It's been wonderful to see children working alongside their grown-ups, sharing ideas, and celebrating each other's successes.

We're incredibly grateful to all the parents and carers who joined us — your involvement makes a world of difference. We look forward more shared learning

adventures ahead!

Thank you to Elin from the British Red Cross for delivering an engaging and informative first aid workshop to our children.

During the session, pupils explored a range of medical scenarios and learned how to respond calmly and effectively in emergency situations. From treating minor injuries to understanding when to seek help, the workshop empowered our young learners with essential life skills and confidence. The children were enthusiastic and curious throughout, asking thoughtful questions and practicing their new knowledge with care and focus. It was a fantastic opportunity to build awareness and responsibility in a fun, hands-on way.
