Newsletter- Friday 31st March

We can't believe how fast this term has gone! The children have completed some excellent learning through the topic of 'A Wonderful World'.

We look forward to next term with work based on King Charles III Coronation and work based on the theme 'What is above your head and under your feet'. During our 'EPIC' week we will create enquiry questions to investigate.

The St Chad's team would like to wish you all a Happy Easter and hope you have a lovely holiday.

Looking at the content of this week's newsletter, we all deserve a well earned break!

Farewell to Mrs Owen.

It was Mrs Owen's last day today. We presented her with some lovely gifts and Mrs Owen had created a beautiful poem for us all.

We wish her lots of luck in her new role as a probation officer!

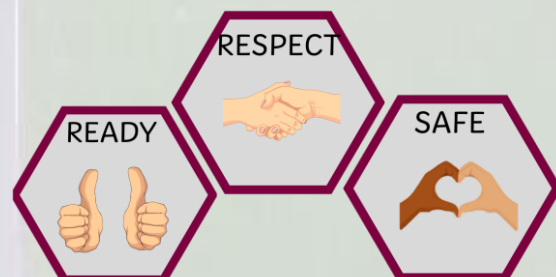

For the first four weeks of the summer term all the children will be taking part in Rugby sessions hosted by Wrexham Rugby Club. Thank you to Mr Tristan Owen for the recommendation!

Please can all children (including Nursery and EE) bring in their full P.E kit after the holiday.

A white T-shirt, Navy blue/ black shorts/ joggers and trainers.

African Drumming Workshop

What an exciting day! We had an expressive arts day hosted by Nic from Primary Workshops. The day started off with an assembly followed by workshops for each class. At the end of the day the children (and teachers!) performed for parents.

A surprise landing!

It's not every day a hot-air balloon lands next door to the school.

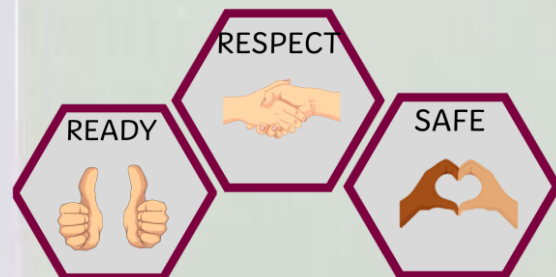

Our PTA needs you!

We have had some amazing social events this year and raised lots of money for resources for your children. Please come to our PTA meeting on **Tuesday 25th April** to share ideas and plan future events.

Free School Meals

As mentioned in a recent email, Universal Primary Free School Meals will be rolled out to all year 1 and 2 pupils after Easter.

Please continue to pre-order on Parent Pay. This really helps your child's school because teachers aren't spending time taking orders. It also means your child gets their first choice of meal and helps us reduce waste.

Claire Dare from UK Parliament came in to do an assembly with Years 3-6.
Claire explained how the UK parliament works and the children had a go at passing their own law!
