Newsletter- Friday 2nd February

Dear Parents/ Carers

We have had a fun-packed week of learning this week!

Mrs Jones, who is our School Improvement Advisor came in to have an evaluation and review session looking at Maths throughout the school. Both myself and Mrs Jones were extremely impressed!

Comments Mrs Jones made included the standard and presentation of the work throughout the school was very high. The progression from September of individually pupils and also through the year groups was very good and she loved the challenge that pupils were given. She especially liked our Maths in Action books that evidence our practical, 'hands on' experiences in Maths. A big thank and well done to our dedicated staff!

Have a lovely weekend and see you on Monday for our last week before half term.

Diolch, Mrs Locker

Ardderchog pawb! Our Rock and Roll stars did an excellent job today with their timetables!

When we finished school today we were in third place in Wales!

Wrexham average- 94%

ECO club

As part of our recycling scheme members of the Eco council went to the recycling centre to recycle the paper, cardboard and batteries collected. We will continue to recycle batteries within the school. We also recycled the sweet tubs as part of the recycling 'tubs for tubs' scheme where the money raised will go to Macmillan Cancer support.
