What a fantastic time we had at the Valentine's Disco! A massive thank you to all the staff and parents who helped organise this lovely event and generously donated to make it special. Your support truly makes a difference, and we really appreciate it. The children had an absolute blast!

Please remember to check your children's bags for the interim reports, (Reception to Year 6.) Based on your feedback from the parents' questionnaire, we've created these reports to provide some targets to help your child continue their progress.

Don't forget to book a parents' meeting for next week— just click on the links below. And a quick reminder: next Friday is a staff training day!

Have a lovely weekend

With chicken pox going around at the moment I just wanted to share the NHS guidelines we follow.

After the first spot has come, children need to stay off school until all spots have formed a scab. This is usually about 5 days after the first spot appeared.

Punctuality

Thank you again for your response
of punctuality- we have seen a clear
improvement with late arrivals this week.

School gates open at 8:50am, with registration commencing promptly at 9:00am.
Arriving late means missing crucial early-morning learning activities like phonics,
handwriting, and number work. This puts children at a significant disadvantage.
Late arrivals disrupt the class and can make it difficult for both the latecomer and their
peers to concentrate.

Our Breakfast Club is available from 7:50am to assist with morning routines.

If you are experiencing difficulties with punctuality, please do not hesitate to contact me to
discuss potential solutions.

We appreciate your cooperation in ensuring your child arrives at school on time. Together,
we can create a positive and productive learning environment for all.

Safety Notice

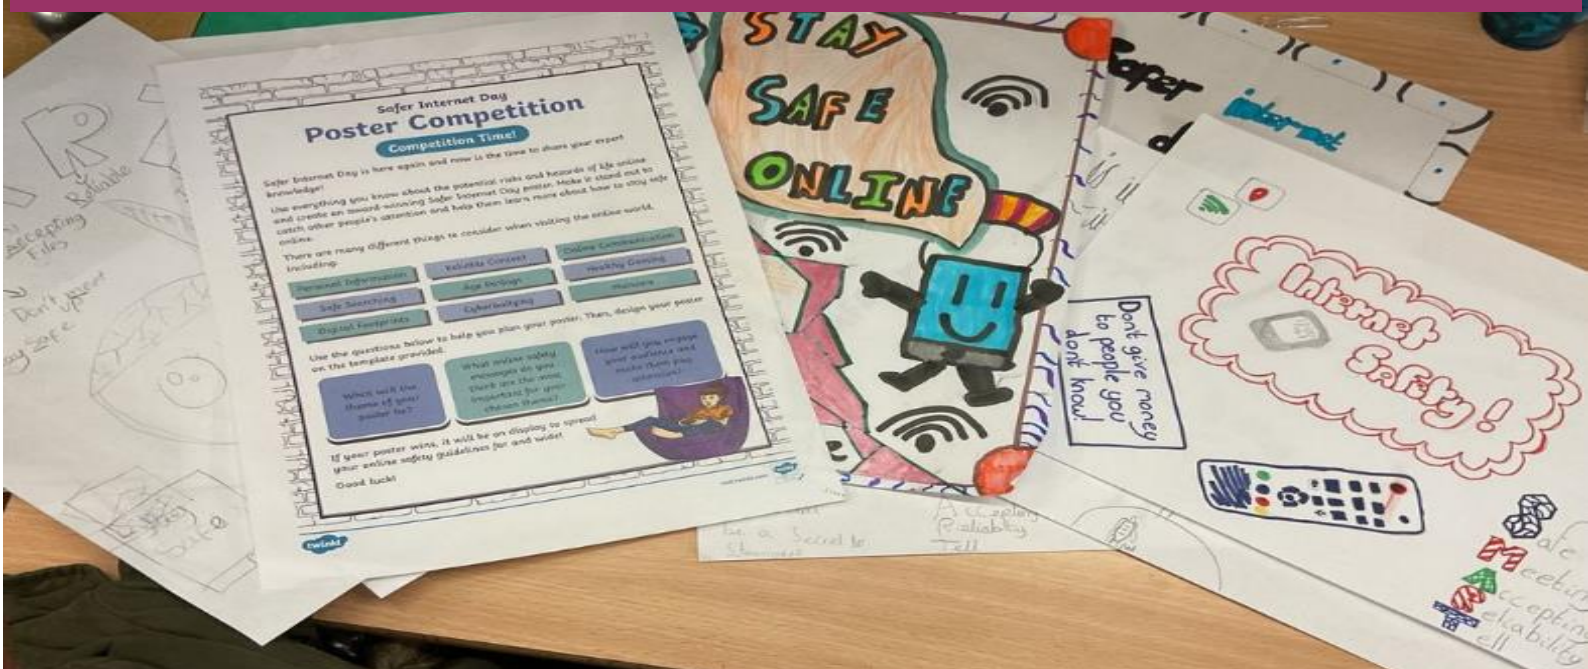

Please do not
drive up to
the school
gates when
dropping
children off.

Many thanks!

Our Digi Leaders hosted Internet Safer day this week based on the theme of scamming.

School Council have purchased some new playground equipment that the children are thoroughly enjoying! Lots of turn taking and team work!
