Newsletter- Friday 19th January

A chilly but very busy week at St Chad's this week!

The children have been completing assessments over the last couple of weeks, that class teachers and I have been able to track the progress the children have made since September. I have been very impressed by both the standards and effort the children have put in as well as the teaching and learning opportunities staff have provided. The children are thoroughly enjoying their topic 'Tales from Wales' and we look forward to inviting parents/carers in on Thursday afternoon to make love spoons for Santes Dwynwen Day.

Year 6 Bikeability

Year 6 pupils have been taking part in 'Seicloclwyd' this week. Making sure they are keeping safe on the roads when riding their bikes.

Forest School

We've been keeping warm in Forest School this week with camp fires! Mr Griffiths and Mr Teggin have also been in teaching survival skills to Class 4.

This term our value is 'Determination'

"I can do all things through him who strengthens me."

Tuesday

Dance Workshop with Chloe

Thursday

Taekwondo

Mr Maddocks will be holding a meeting on Monday lunchtime for children who would like to take part in a band after half term.

School Dinners

Please can orders for school dinners be made on Parent Pay. This is to ensure that we have the correct stock rather than having orders on the morning. We do understand the system goes down at times but when possible please complete online.

Anyone want to take up Guitar, flute or clarinet lessons?

We have spaces available!
£87.00 per term. Please let Mrs Locker know if your child is interested.

Well done to our pupils who had 100% attendance during the Autumn term!

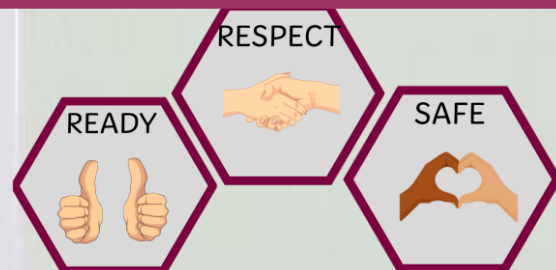

Time for School

Just a reminder that the school gates open at 8:50am for school to start at 9am.

My Happy Mind

Last term we introduced the Happy Minds programme.

My Happy Mind is an NHS backed programme to help support pupils to understand how their brain works and to support them in developing positive skills and habits to be their very best selves! The pupils have a Happy Minds lesson every Monday and then they can apply these skills throughout the week.

To further embed this learning and ensure that you are able to engage in these topics with your child, My Happy Mind has developed a set of resources for parents and carers. These resources can be accessed online on your computer, or through an app on your phone. The resources allow children to continue to practise some of the habits they have developed at school, such as Happy Breathing, for you to learn more about what they are learning in the program. Also included are activities for you to do together at home, to complement the in-school lessons.

Please check SeeSaw for the login details.

Download your **FREE**
myHappymind **App** to
support your child's
learning in school!

Lots of fantastic bird resources have been shared today during Forest School with Class 3.
