

Newsletter Friday 6th June

Our first week back has been action packed! There's been lots of learning, and it has been incredibly rewarding to receive all the positive feedback from our visitors this week, as well as from our recent school trip. They've praised how polite and well-spoken our children are, which makes us feel so proud. It truly highlights the fantastic community we have here. Thank you for your ongoing support, as it plays a vital role in our success.

Wishing you all a lovely weekend ahead

Warm wishes

Nicola Locker and the St Chad's Team

Dosbarth 3 had a brilliant time at Ellesmere Canal this week. They learnt about canals, boats, blacksmiths and much more!

It was great this week to share our good practice of 'My Happy Mind' to a range of stakeholders, including our My Happy Mind support officers, the Wrexham LA Health and Well-Being Lead, Dr Jordan our Health and Well-Being link Governor and a representative from Child and Adolescence Mental Health Service (CAMHS)
