Newsletter Friday 16th May

It's been a fantastic week, with plenty of hard work being accomplished! The children have been making the most of the sunny weather, and their enthusiasm has been great. To finish off the week, they enjoyed a lovely visit to the Church for the 'Know Your Church' workshop—always a highlight! Class 4 had the special privilege of climbing up the Church tower, and the views from the top were absolutely breath-taking—so peaceful! A huge thank you to everyone who made this experience possible; it truly was a delightful memory for our pupils! Have a wonderful weekend

Warm wishes

Vehicle Counts By Speed Class

Traffic Overview from Tue Mar 18 2025 to Sun May 11 2025

The concern regarding the speed of cars in our village remains the same. The data shared by the community council clearly indicates that a significant number of vehicles are exceeding speed limits, particularly during the busy school run times. This is not just an issue for motorists; it's something that directly affects the safety of our children.

As members of this community, it is important that we all play our part in keeping our community safe. I kindly urge everyone to be more mindful when driving through the village. By reducing your speed, you're not just abiding by the law; you're showing consideration for our community and protecting our children. Let's work together to ensure a safer environment for everyone. Thank you for your understanding and cooperation!

While the other children were exploring the top of the tower, the other children looked at WWII medals and designed their own. They also went on a stained-glass window hunt and visited the war graves.

It was a lovely 'Know your Church' workshop hosted by the Mother's Union, truly celebrating Mrs Barlow. We are thinking about Mr Barlow at this sad time.

As part of our VE Day celebrations we lay a VE Day Poppy Wreath at the War Memorial.

Our Stars of the week!

Our Eco council are organising a swap shop for after half term.

This is a fantastic chance to swap something old for something new. Children can bring their old items to school on Tuesday 3rd June. Our Eco council will hold a stall at the bottom of the drive where the children are able to swap for a new toy. Don't worry if you don't have anything to swap, you can buy an item from the stall for a small donation.

School uniform will also be available.
