Newsletter- Friday 17th May 2024

Dear Parents/ Carers.

We have had another busy week with a Xplore Science Workshop on the human body and a Four Purposes day based on 'Ambitious Capable Learners'. The children thoroughly enjoyed the topic based on the traffic in Hanmer and used number effectively in different contexts, whilst showing good understanding how to interpret data and undertake research and evaluate critically what they find. It has really made us think how we can keep ourselves and the community safe.

We hope you all have a good weekend

Warm wishes

Nicola Locker and The St Chad's Team

Our PTA has changed to 'Friends of Hanmer School' so every parent/ carer who has a child at the school is automatically part of the group.

The level of involvement that you have is up to you and your personal circumstances.

You could:

- Attend events
- Take part in activities
- Attend Planning meetings
- Buy & Sell tickets
- Spread the word to friends, family & neighbours about our events
- Provide gifts, prizes, or other services personally or through your work

We are going to have a meeting on **Monday 3rd June at 3:30pm** to plan a Summer event. Your child/children can stay in school while we have the meeting.

Thank you for your support!
