## Punctuality

School gates open at 8:50am, with registration commencing promptly at 9:00am.

Arriving late means missing crucial early-morning learning activities like phonics, handwriting, and number work. This puts children at a significant disadvantage.

Late arrivals disrupt the class and can make it difficult for both the latecomer and their peers to concentrate.

Our Breakfast Club is available from 7:50am to assist with morning routines.

If you are experiencing difficulties with punctuality, please do not hesitate to contact me to discuss potential solutions.

We appreciate your cooperation in ensuring your child arrives at school on time. Together, we can create a positive and productive learning environment for all.

## After- School Clubs\*
